CLEAN SWEEP
Saturday
MAY 22, 2010 9:00 -Noon

1. Bag trash and leave on curbside or take to your trash site in your neighborhood. Your trash will be picked up on your regular trash day (so bear with us if it has to sit until your pick up day)
2. Pile brush next to the trash or on the curbside. Try to pile the brush in 4 foot sections to help our street department.
3. **Safety**- please use the utmost caution while cleaning your areas. Gloves are a necessity.
4. Trash bags and recycled Bags will be supplied by the city.
5. Tires can be taken to Wal-mart on St. Rd. 26 E from 9:00-Noon, you **MUST** show proper identification that you are a City of Lafayette resident.
6. Most of all have fun, get to know your neighbors and be safe.

Additionally: Clean up areas can be provided for you if you need a place to volunteer or let us know if you see areas that need attention.

The next Clean Sweep meeting will be held on April 21, 2010 at 5:30pm in the Board of Works Room on the 2nd Floor of City Hall.

THANK- YOU
Cindy Murray
